Washington, D.C. 20472

**JUN 24 2009**

Mr. Daniel Negron  
Senior Engineer  
Orange County Public Works Dept.  
4200 South John Young Parkway  
Orlando, FL 32839

Case No: 09-04-5601A  
Community: Orange County, Florida  
Community No.: 120179  
Effective Date: October 10, 2008

Dear Mr. Negron:

This letter reissues the determination for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed in the enclosed table. These LOMCs will remain in effect until superseded by a revision to the NFIP map panel on which the property is shown. The FEMA case number, property identifier, NFIP map panel number, and current flood insurance zone for the reissued LOMCs are listed in the enclosed table.

Because these LOMCs will not be printed or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for this new data. We encourage you to disseminate the information reflected by this letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

For information relating to LOMCs not listed on the enclosed table or to obtain copies of previously issued LOMR-Fs and LOMAs, if needed, please contact our Map Assistance Center, toll free, at 1-877-FEMA MAP (1-877-336-2627).

Sincerely,

A handwritten signature in cursive script that reads "William R. Blanton Jr." followed by a small flourish.

William R. Blanton Jr., CFM Chief  
Engineering Management Section  
Mitigation Division
